

BROWN CREEK ANIMAL HOSPITAL

(BOARDING ATTACHMENT)

PLEASE READ IF BOARDING A DOG LESS THAN 1 YEAR OF AGE

RE: PET'S NAME \_\_\_\_\_

PLEASE BE AWARE THAT DOGS WITH PARVOVIRUS ARE ROUTINELY SEEN AND TREATED IN THE HOSPITAL. THIS IS A VERY CONTAGIOUS DISEASE. PUPPIES ARE VERY SUSCEPTIBLE TO THIS VIRUS, AS WELL AS ANY DOGS UNDER 1 YEAR OF AGE, WHICH MAY NOT HAVE RECEIVED THEIR FULL SERIES OF PUPPY VACCINATIONS.

I HAVE READ THE ABOVE AND UNDERSTAND THE RISK FOR BOARDING MY DOG AT BROWN CREEK ANIMAL HOSPITAL. I UNDERSTAND THAT BROWN CREEK ANIMAL HOSPITAL WILL NOT BE RESPONSIBLE IN THE EVENT MY DOG SHOULD CONTRACT PARVOVIRUS.
